MIX

Greenspot Ready MIX

Greenspot Ready MIX is an eco-friendly, matt tempera colour with excellent opacity.

The colour is particularly suitable for use on paper, but it is also good for all absorbent and lightly absorbent materials, e.g. cardboard and wood. The colour dries fast and is easy to work with for children and adults alike.

The colour is available in a 500 ml PET bottle with a practical dosage lid.

Greenspot Ready MIX is available in 12 mixable shades.

			
3701 White	3703 Prim. Yellow	3710 Orange	3714 Red
			
3717 Prim. Red	3719 Violet	3720 Blue	3723 Primary Blue
			
3724 Green	3743 Sand	3732 Brown	3740 Black

Colours are printed and therefore only guiding.

NEW! Hobby colour with the Nordic Ecolabel

Greenspot Ready MIX is the first hobby colour to be certified with the Nordic Ecolabel.

The Nordic Ecolabel is the official ecolabel in the Nordic countries. The ecolabel makes it easy for you to choose the most eco-friendly products.

The Nordic Ecolabel poses strict environmental requirements on all relevant phases of a product's lifecycle. This means, among other things, that Nordic Ecolabelled products comply with strict requirements on chemicals – for the benefit of the environment and your health.

When you choose a product that carries the Nordic Ecolabel you help reduce the environmental impact. At the same time, you can be sure that it is among the most eco-friendly products – without compromising on quality.
