Pop Up Line

Pop Up Line can be used on various materials eg. size free cotton, paper, wood, stone and clay.

Paint the colour in lines directly from the bottle. Allow the colour to dry for 24 hours. Pop the decoration up in a preheated oven for 1-3 minutes at 150°C. Stone and clay for 10-15 minutes.

The colours can also be popped up with a hair dryer (1800 W - max. heat).

Fabric can be carefully washed at 40°C.

Clean with water. Protect from frost.

28 ml bottles with spray nozzle.
